To Whom It May Concern:

It is with pleasure that I provide this endorsement for Kim Fitzpatrick from Tradition Stained Glass & Leadlights Pty Ltd.

Kim's company has proven to be a highly reputable company in Perth, who have provided professional advice, restoration work and new stained glass commissions at the heritage listed Catholic Education Office and Chapel in Leederville Perth W.A.

Kim was approached on behalf of the Catholic Education Office to look at facilitating a detailed program to restore the many original stained glass windows throughout this historical building. After careful consideration Kim was commissioned to commence restoration work on the unique windows, including a full restoration of the Good Shephard stained glass window, which is of great historical interest to this office.

I am pleased to confirm Kim and his team have completed this restoration project successfully with great enthusiasm and dedication to detail.

The delicate restoration work was of the highest quality and successfully completed within the scheduled time frame. The workmanship was of the highest quality and the end result is really spectacular.

Other commissions that Kim and his team have successfully completed for the CEO are within the Chapel of Saint Michael the Arch Angel and the grand front entry to the CEO, all of which have great historical importance.

I highly recommending Kim & his team for any related work you may require and I am sure you will be satisfied with the finished product.

Yours faithfully,
