Tradition Stained Glass creates contemporary and traditional lead light and stained glass artworks for the corporate, organisational, and residential customer. Each year, we work with countless businesses to design and create beautiful new glass windows or to repair, restore, and protect their existing treasures. Because Tradition Stained Glass is steeped in heritage, you can select from very diverse and distinctive leaded, faceted, hand painted, or sculptured gold windows that are unsurpassed. Our broad and deep expertise, resources, and commitment will help you tell the story that you want others to see and feel.
